

New Balance 906 M Black

906 - M Black

906 performance sneakers combine all the best elements in one shoe. Developed to provide optimal comfort, starting with the FRESH FOAM technology in the midsole, for perfect shock absorption, as well as ultimate lightness. The OrthoLite® insole is sweat-wicking and provides the shoe with an optimal indoor climate. The seamless upper part in perforated Hydroskin provides flexibility and optimal support around the foot.
